

ENVS Major Course Offerings
Restructured ENVS Major
SUMMER 2010 as of 5/17/10

Course Number	Course Title	Summer Term Offered
Introductory – Science/Policy/Values		
EBIO 1030/1050	Human Approach Biology I & Lab	A
EBIO 1040	Human Approach Biology II	B
EBIO 1210/1230	General Biology I & Lab	A
EBIO 1220/1240	General Biology II & Lab	B
CHEM 1021	Intro to Chemistry & Lab	A
CHEM 1113/1114	General Chemistry I & Lab	A
PHYS 1110	General Physics I	A
PHYS 1120/1140	General Physics II & Lab	B
PHYS 2010	General Physics I	A
PHYS 2020	General Physics II	B
GEOG 1001	Environ Systems/Climate & Vegetation & Lab	A
GEOG 1011	Environ Systems/Landscapes & Water & Lab	B
GEOL 1010	Intro to Geology I	A
ATOC 1050/1070	Weather and the Atmosphere & Lab	A
ATOC 1060	Our Changing Environment	B
ECON 1000	Intro to Economics	A
ECON 2010	Principles of Microeconomics	A
Intermediate – Science/Policy/Values		
EBIO 2040	Principles of Ecology	B
ECON 3545	Environmental Economics	B
PHIL 3140	Environmental Ethics	B
PSCI 3064	Environmental Political Theory	B
SOCY 2077	Environment and Society	B
Skills		
SOCY 2061	Intro to Social Stats	B
PSYC 3101	Stats Res Meth Psyc	A
ECON 3818	Intro to Stats with Computer Apps	A
MATH 1300	Analytic Geometry and Calc 1	D
APPM 1350	Calculus 1 for Engineers	C
ENVS 3020	Advanced Writing in Environmental Studies	M

Applications

Advanced – Science/Policy/Values

Specialization:

Note: All ENVS program classes (except ENVS 3020) have significant field trip components.

Climate and Energy:

ENVS/GEOL 3520 Environmental Issues in Geosciences M
Contact Sarah.Rogers@colorado.edu for information.

Natural Resources and the Environment:

ENVS 4120-600 TPC: Food and the Environment 7/6-7/23
GEOG 3251 Mountain Geography
GEOG 4501 Water Resources and Management in the
Western US B

Sustainable Development:

ENVS 4100-102 TPC: Agriculture and the Environment A
Contact john.mckenzie@darca.org for information
GEOG 3682 Geography of International Development M
GEOG 4712 Political Geography B

Capstone:

GEOG 4742 Environments and Peoples M, B

Note: All ENVS program classes (except ENVS 3020) have significant field trip components.
