

ENVS Major Course Offerings
SUMMER 2012 as of 2/02/2012
(Major Declared Summer 2010 or Later)

Course Number	Course Title	Summer Term Offered
<u>Introductory – Science/Policy/Values</u>		
<u>Biology Sequence</u>		
EBIO 1030/1050	Human Approach Biology I & Lab	A
EBIO 1040	Human Approach Biology II	B
EBIO 1210/1230	General Biology I & Lab	A
EBIO 1220/1240	General Biology II & Lab	B
<u>Chemistry or Physics Course</u>		
CHEM 1113/1114	General Chemistry 1 and Lab 1	A
PHYS 1110	General Physics I	A
PHYS 2010	General Physics I with lab	A
<u>Earth Science Sequence</u>		
ATOC 1050/1070	Weather and the Atmosphere with lab	A
ATOC 1060	Our Changing Environment	B
GEOG 1001	Environmental Systems 1/Climate & Vegetation, with lab	A
GEOG 1011	Environmental Systems 2/Landscapes & Water, with lab	B
<u>Intermediate Natural Science</u>		
EBIO 2040	Principles of Ecology	B
<u>Intermediate Social Science</u>		
ENVS 2100	Topics in Applied ENVS: Political Economy/Environment	M
ENVS/SOCY 4027	Inequality, Democracy and the Environment	M
SOCY 2077	Environment and Society	M & B
SOCY 4007	Global Human Ecology	A
<u>Introductory and Intermediate Values</u>		
ECON 2010	Principles of Microeconomics	A
ECON 3545	Environmental Economics	B
ENVS/PHIL 3140	Environmental Ethics	A
PSCI 3064	Environmental Political Theory	A
<u>Intermediate Policy</u>		
ENVS 2100	TPC: Political Economy/Environment	M
PSCI 2106	Introduction to Public Policy Analysis	B
PSCI 3206	The Environment and Public Policy	A

Skills

Statistics or Calculus 1

Statistics:

ECON 3818	Introduction to Statistics with Computer Applications	A
PSYC 3101	Statistics and Research Methods in Psychology	A & B
SOCY 2061	Introduction to Social Statistics	B
Calculus 1: MATH 1300	Analytic Geometry and Calculus 1	D
APPM 1350	Calculus 1 for Engineers	C

Advanced Writing

ENVS 3020	Advanced Writing in ENVS	M
-----------	--------------------------	---

Application

Mountain Research Station Courses: <http://www.colorado.edu/mrs/course.html>

EBIO 4100	Topic: Lake and Stream Ecology (7/23—8/9)	D
EBIO 4100	Topic: Mammalogy (6/11—6/29)	E
EBIO 4100	Topic: Feeding Ecology of Animals (7/2—7/19)	F
EBIO 4100-800	Topic: Conservation Biology Brazil Atlantic Forest*	M

*Global Seminar – contact Study Abroad offices for information and to enroll (<http://studyabroad.colorado.edu/>)

GEOL 2700	Introduction to Field Geology	M
-----------	-------------------------------	---

Capstone Courses

GEOG 4742-001	Environment & Peoples: Landscape, Society & Meaning	M
GEOG 4742-570	Environment and Peoples: Place, Power & Culture	M

Specialization Courses

Climate and Energy

No courses offered.

Natural Resources & the Environment

ENVS 4120-500	Food & the Environment (6/4—6/22)	E
GEOG 3053	Cartography: Visualization of Information Design	C
GEOG 3251	Mountain Geography	M & B
GEOG 4501	Water Resources & Water Management of Western US	A

Sustainable Development

ANTH 4020	Beyond the Serengeti: An Examination of Conservation And Indigenous Peoples in Tanzania studyabroad.colorado.edu/?go=TanzaniaGS	M
ECON 3784	Economic Development and Policy	A
ENVS 4120-500	Food & the Environment (6/4--6/22)	E
GEOG 3682	Geography of International Development	M
HIST 4417	Environmental History of North America	B
PSCI 3206	The Environment & Public Policy	A
