STUDENT VOLUNTEER OPPORTUNITIES

Volunteer, non-paid opportunities are available for the upcoming spring/summer period. Student volunteer service can enrich your future. Some of the benefits include:

- Career exploration early in your academic studies.
- Exposure to new emerging occupations and professions.
- Work experience which will enhance your ability to obtain paying jobs in the future.
- Opportunities are available in a variety of technical and administrative areas.
- Student volunteer work schedules are flexible. Hours are available during the summer and/or during the school year.

If interested, send the following information to the address below:

- Cover letter expressing your interest in volunteering at U.S. EPA, Region 8;
- The type of work you are interested in doing; and your availability;
- Resume describing past/present school and work experiences;
- A copy of your latest transcripts.

Send the above information to: slavinski.debra@epa.gov or if you do not have access to a computer, mail to: U.S. EPA Region 8, 1595 Wynkoop Street, Denver, CO 80202 Attn: Student Volunteer Program
