Spring _____ **Summer** √ _____ **Fall** _____

Brief description of your organization and the nature of the project(s) and skills/qualifications required:

Wild Bear Mountain Ecology Center is a non-profit nature center located in downtown Nederland, CO. We are seeking up to five interns for the summer season to assist in the planning and implementation of our youth programs. Our acclaimed summer program takes place Monday through Friday, 8am-4pm in Nederland, offering workshops for ages 5-15. Interns must be responsible, creative, enthusiastic, and dedicated to providing a safe and age-appropriate learning environment.

Qualifications:

- Working towards a degree in Education, Environmental Education, Biological Sciences, Natural Resource Management or related field.
- Three positive references.
- Clear background check from the Colorado Department of Human Services and the Colorado Department of Public Safety.
- Experience working with youth desirable.

Duties:

- Support lead instructor in all aspects of summer programs.
- Supervise children while abiding by all of Wild Bear Policies.
- Ensure safety of all participants.
- Contribute to the planning and preparation of program activities.
- Support other aspects of running a non-profit organization when needed such as helping with mailings, prepping and attending community events.

Duration: Mandatory staff training May28-June 1; programs run June 4 – August 3
